

Final Year Major Project

Narula Institute Of Technology

MCA

Project Name: File Converter
Pro

Guide Name: Mrs Debrupa
Pal

Batch: 2022-2024

Team members

- Name :Soyeb Ali Faruque
- Roll Number: 434122010031
- Role:Team Leader and Backend Developer

- Name:Anurag Kumar
- Roll Number:434122010037
- Role:Backend Developer

- Name:Nishant Kumar
- Roll Number:434122010009
- Role:Frontend Developer

Project Overview and Features

- End to end file converter ,providing the fastest conversion with well and user friendly UI.
- Features:
 - Different file conversions
 - Multi format file compression
 - A user file storage (for login user only)

Backend Work

- MVT architecture
- Tech: django+smtp server+external modules
- A login system fully developed with custom logic ,no external module .
- Different module for different file conversion and compression(like image to pdf - >reportlab etc) by finding the best fit module.
- Database: user login entry and user history.
- Feedback automation.

Frontend work

Side description

- Dynamic Content

Date	Time	Your Files	Download Your File	Your PDF Files	Download Your PDF
2024-04-24	04:00 PM	citation-374084273.txt	Download	citation-374084273.pdf	Download
